THE GLUGS OF GOSH

The Glugs of Gosh

by C. J. Dennis (1876-1938)

First published in 1917, *The Glugs of Gosh* satirizes Australian life at the start of the twentieth century – but the absurdities it catalogs seem just as prevalent at the start of the twenty-first. The foolish-

ness of kings, the arrogance of the elite, the gullibility of crowds, the pride of the self-righteous, the unthinking following of tradition – all find themselves the targets of C. J. Dennis' biting wit.

Total running time: 1:26:47

Read by Chris Goringe

Cover design by Kathryn Delaney
